

Equipment List for Kayaking Trips ~ Thunderbird Lodge

Thank you for choosing us for your kayaking adventure. Although we offer dry bags to help keep gear dry, everything that comes on the kayaking trip runs the risk of **getting wet**. We therefore recommend that you only bring personal gear that can get wet or damp during the trip. Items that must stay dry such as expensive cameras or other electronic devices, change of clothes or personal affects should stay in your vehicle.

Tahoe Adventure Company will provide: paddle jackets and life jackets.

The required items below are things you will use during your trip. The recommended items are nice to have, but you don't need to rush out and purchase them.
